

49 NORTH RESOURCES INC.

**ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
NOTICE AND ACCESS NOTICE TO SHAREHOLDERS**

Registered holders (“**Registered Owners**”) and non-registered (beneficial) shareholders (“**Beneficial Owners**”, and collectively with Registered Owners “**Shareholders**”) of the common shares of 49 North Resources Inc. (the “**Company**”) are receiving this notice as the Company has elected to take advantage of the provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**Notice-and-Access**”). Notice-and-Access is a set of rules that reduces the volume of materials that must be physically mailed to shareholders by allowing issuers to deliver meeting materials to shareholders electronically by providing shareholders with access to these materials online. Notice-and-Access will be used to deliver the meeting materials to Shareholders. The Company will not be using the procedure known as ‘stratification’ to deliver a paper copy of the meeting materials to any Shareholder with this notice package.

Under Notice-and-Access, Registered Owners still receive a form of proxy and Beneficial Owners still receive a form of proxy or voting instruction form enabling them to vote at the Shareholders’ meeting. However, instead of a paper copy of the notice of meeting and management information circular (“**Circular**”), Shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to Shareholders.
